

# Litestream Underwater Lights

For Water with Sheer Brilliance

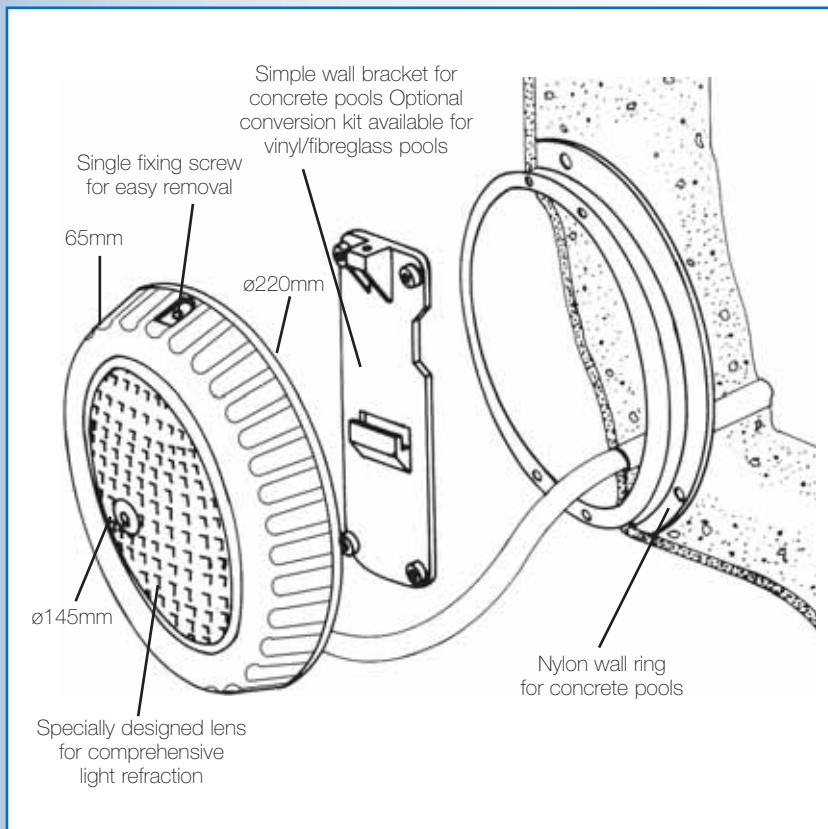

Litestream Underwater Lights are a perfect accessory for your pool, lighting the way for your family and friends and adding aesthetic value to your pool's surroundings.

Litestream delivers 100 watts of light spread throughout the entire pool by a specially designed lens which refracts the light without any discernible loss of brightness.

With Litestream Underwater Lights you can enjoy your pool 24 hours a day.

# Litestream Underwater Lights

The Litestream Underwater Lights come with an additional blue screw-on lens.

The lens has been designed and coloured to enhance the natural beauty of pebble pools and highlight the classic features of slate and tile pools.

Red and green lenses are also available for separate purchase.

## Easy to maintain

Maintaining your Litestream Underwater Light is simply a matter of occasionally changing the globe. To make this job as trouble free as possible, the lights have been designed so that they can be easily removed from the water when the globe needs to be replaced. This is a trouble free operation that can be carried out from the pool's edge.

## Safety

Waterco has taken care to ensure that Litestream Underwater Lights meet all necessary safety standards. The light source is an ultra safe 12 volt quartz halogen globe.

## Warranty

Litestream Underwater Lights are covered by 1 year warranty, excluding the light globe.

## Electrical Specifications

Input Voltage 12VAC

Input Power 100W
