

Trimline Cartridge Filters

WATERCO
Water, the Liquid of Life

Compact and Economical Filtration

Trimline Cartridge Filters are compact, economical filters designed to effectively filter out suspended solids from your pool.

Trimline Cartridge Filters utilise a specially treated synthetic fabric which is pleated into a cartridge. Cartridge filters are ideal for applications where backwashing may not be practical.

Trimline Cartridge Filters

Rugged Construction

Constructed from high impact polypropylene and designed for easy maintenance, Trimline Cartridge filters will give years of trouble free service.

The filtration element is made from heavy duty, easy-to-clean polyester fabric.

The rugged non-corrosive construction of Cartridge filters allow their use in fresh or salt water.

Easy Maintenance

The Trimline Cartridge Filter's lid lock ring is designed for easy hand operation, allowing for simple cartridge removal and replacement.

The filter cartridge is easily cleaned by hosing the pleats with a standard garden hose.

Warranty

Waterco is proud to show its absolute confidence in its range of Trimline Cartridge Filters by offering a 10 (5+5) tank warranty and 1 year warranty on all other components.

Commercial applications attract a 1 year tank warranty.
